

World Class Capabilities, Small Company Flexibility...

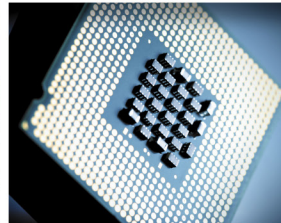

- ▶ AS9100 & ISO 9001:2000 certified, NSA Approved Supplier under COMSEC standard, ITAR registered
- ▶ Custom Configured Focused Factories (dedicated equipment, dedicated personnel)
- ▶ 300,000 sq. ft facility, 10 SMT lines, 24/7
- ▶ Registered Small Business

Best in Class New Product Technology Center...

- ▶ Dedicated 10,000 sq. ft.
- ▶ Materials Laboratory for advanced failure analysis
- ▶ Rapid Prototyping
- ▶ Design Engineering & Product Development

Industry Leading Web Tools...

- ▶ “Live” 24-hour on-line access to critical customer data
 - ▶ Work-in-Progress, Production Yields, Component Traceability, Shipment Status
- ▶ Remote controlled web-based inspection camera
 - ▶ Real-time, on-line 1st article inspections

Military • Aerospace • Industrial • Communications • Medical

High-Reliability Manufacturing for Ruggedized & Critical Environment Products...

- ▶ Environmental Stress Screening & Thermal Shock
- ▶ Automated Conformal Coating & Potting
- ▶ Automated 3D X-Ray
- ▶ Custom Functional Test Development
- ▶ Advanced Lead Free Development
- ▶ Vibration Testing
- ▶ Flying Probe
- ▶ Boundary Scan
- ▶ In Circuit Test

Embedded Lean Six Sigma Environment...

- ▶ Blackbelt council lead by Master Blackbelt
 - ▶ Sensei trained
- ▶ Mature 5S & Kanban implementation
- ▶ Solve complex problems using advanced DMAIC process
- ▶ 100's of practical examples of advanced statistical tools
 - ▶ Gage R&R
 - ▶ ANOVA, etc.
 - ▶ Process Capability

End to End Manufacturing...

- ▶ Complex Circuit Card Assembly
- ▶ Backplane Assembly
- ▶ Advanced System Level Assembly
 - ▶ Paperless on-line configuration management system
- ▶ Cable/Wire Harness Assembly
- ▶ Out of Warranty Repair Depot
- ▶ End Order Fulfillment & Logistics Management

Absolutely, Positively, Perfect and On-Time^(sm)
